2nd announcement of Quark Matter 2015  
(April 27<sup>th</sup>, 2015)

-----

Dear Colleague,

We are pleased to announce that registration for the 25th International Conference on Ultra-Relativistic Nucleus-Nucleus Collisions (Quark Matter 2015) is now open at the conference web site <http://qm2015.riken.jp>.

Please visit this web site to find detailed information and register in due course of time.

Application for the fellowships for young researchers is also open. Note that its deadline is much earlier than that for early registration. Details are available on the web page.

As announced, we consider the possibility to offer child-care services for moderate cost (approximately 1000 yen/hour/child) during the conference. If you have interest, please contact [qm2015@riken.jp](mailto:qm2015@riken.jp) and inform us of the number and the ages of the children. We are polling on your need for the time being.

Also, we remind you that the abstract submission will start on May 14, 2015 as shown below. Instruction for the submission will be announced on the web page.

Important dates:

2nd announcement:	April 27, 2015
Early registration:	April 27 - August 7, 2015
Registration deadline:	September 20, 2015
Fellowships for young researchers:	April 27 - July 10, 2015
Abstract submission:	May 14 - June 27, 2015
Notification for contributed talks:	July 14, 2015
Notification for fellowships:	July 20, 2015
Student Day:	September 27, 2015
Conference dates:	September 28 - October 3, 2015

Sincerely yours,

Hideki Hamagaki (Chair)

Yasuyuki Akiba (Co-Chair),

Tetsuo Hatsuda (Co-Chair)

Quark Matter 2015 Local Organizing Committee
